Public life

Generally Accepted Facts from [Wikipedia](#)

Ghislaine Maxwell (born 25 December 1961) is a British socialite and the youngest child of publisher Robert Maxwell. Maxwell moved to the United States after her father's death and has become an advocate for the ocean as the founder of The TerraMar Project.

Maxwell is a prominent socialite in New York City. After moving to America, Maxwell and the billionaire American financier [and level 3 registered sex offender] [Jeffrey Epstein](#) had a romantic relationship, and Maxwell remained close to him after their break-up. Maxwell has attracted press coverage for her friendship with [Prince Andrew](#), Duke of York, the second son of Queen Elizabeth II, who has attended social functions with her in New York. Maxwell introduced Epstein to Andrew and the three of them have socialised together on several occasions including attending a weekend pheasant shoot at Sandringham House. In 2008, Epstein was convicted of soliciting a minor for prostitution and served 13 months of an 18-month jail sentence. In an American court case that was made public in January 2015, a woman identified as 'Jane Doe 3' said she was approached by Maxwell in 1999, and claimed that Maxwell procured under-age girls to have sex with Epstein. Maxwell has always denied any involvement in Epstein's crimes. In a 2015 statement, Maxwell rejected allegations that she has acted as a "madame for Epstein" and "facilitated Prince Andrew's acts of sexual abuse". Maxwell's spokesperson said that "the allegations made against Ghislaine Maxwell are untrue" and that she "strongly denies allegations of an unsavoury nature, which have appeared in the British press and elsewhere and reserves her right to seek redress at the repetition of such old defamatory claims."

She is passionate about [Bill Clinton](#), with whom she is close friends.

Connection to [Jeffrey Epstein](#) and his victims

Maxwell was [Jeffrey Epstein](#)'s "Fixer" or "Madame".^[1] It is very likely Maxwell is one of the unidentified (but protected) co-conspirators in Jeffrey Epstein's plea bargain/non-prosecution agreement.

Maxwell can be seen in photos with Epstein's victims, including Virginia Roberts. The adjoining photo, with Roberts, Maxwell and Prince Andrew, is an example.

MC2 modeling agency and ties to trafficking

"Perhaps most disturbing, in terms of possible sex trafficking, was Epstein's relationship with Jean Luc Brunel, owner of the MC2 modeling agency. According to a complaint filed in the U.S. District Court for the Southern District of Florida, an alleged victim said that Epstein, assistant and girlfriend Ghislaine Maxwell, Brunel, [house manager Alfredo] Rodriguez, and Marcinkova 'deliberately engaged in a pattern of racketeering that involved luring minor children through MC2, mostly girls under the age of 17, to engage in sexual play for money.'"
